```
[Chorus]
                                                                 Am
                                                                 Aaj ei din take (Ashish & Sanju)
Aaj ei din take (Ayan & Akash)
                  G
                                                                 Moner khatai likhe rakho
Moner khatai likhe rakho
                                                                 Amai porbe mone
Amai porbe mone
                                                                                     Am
                                                                 Kache dure Jekhanei thako
Kache dure Jekhanei thako
                                                                      Am
                                                                                  G6
                                                                                              Am
                                                                 0 ho ho ... a ha ha ha ... um hm hm hm (Ayan & Akash)
Aaj ei din take (Ashish & Sanju)
                                                                 [Verse 2]
Moner khatai likhe rakho
                                                                 E Am
                                                                 Rong-er borsha oi (Ayan & Akash)
Em
Amai porbe mone
                                                                 E Am
                                                                 Nemeche je dekho phule phule
                   Am
Kache dure Jekhanei thako
                                                                            G6
     Am
            G6
                                                                 Duti haath tule ...
Ho ho ho aha ha ha um hm hm hm (Ayan & Akash)
                                                                   Е
                                                                                  Am
                                                                 Amake aaro kache dako
[Verse 1]
                                                                         Am
                                                                 Rong-er borsha oi (Ashish & Sanju)
     Am
                                                                 E Am
Hawar golpo aar (Ashish & Sanju)
                                                                 Nemeche je dekho phule phule
                   G6
                                                                            G6
Pakhider gaan shune shune ...
                                                                 Em
   F
                                                                 Duti haath tule ...
Em
Aaj ei falgune Duti chokhe
                                                                       Ε
                                                                                 Am
         Am
                                                                 Amake aaro kache dako, o o o
Shopno shudhu ankon
     Am
                                                                 Aaj ei din take (Ayan & Akash)
Hawar golpo aar (Ayan & Akash)
    Am
                   G6
                                                                 Moner khatai likhe rakho
Pakhider gaan shune shune ...
                                                                 Em
                                                                 Amai porbe mone,
Aaj ei falgune Duti chokhe
        Am
                                                                 Kache dure Jekhanei thako
Shopno shudhu ankon
